

Best in class containers,  
delivered on-time every time.

**Saanvi**

# ABOUT US

Pune-based Saanvi Containers, established in 2017 emerged as a prominent player in the manufacturing of blow-molded products. Our journey began with a single product, but through dedication and innovation, we have expanded our offerings to include a wide array of high-quality solutions tailored to meet the needs of various industries.

Beyond our business operations, we are deeply committed to making a positive impact on society. Over the years, we have collaborated with numerous government bodies and NGOs to support social responsibility initiatives across Maharashtra. These partnerships reflect our dedication to not just building a successful business, but also contributing to the well-being of the communities we serve.

Our product portfolio encompasses a diverse range of items, from double-layered HDPE drums and HDPE jerry cans to industrial products like Carbuoys. These products are designed to serve the demanding requirements of industries such as food processing, chemicals, agriculture, and many others. Each product is manufactured with the highest standards of quality, ensuring durability, reliability, and compliance with industry regulations.

Under the leadership of our co-founders, Mr. Kunal Mantri and Mrs. Swati Mantri, Saanvi Containers has grown from humble beginnings to become a trusted name in the industry. We continue to innovate and expand, always guided by our core values of quality, reliability, and social responsibility. As we look to the future, we remain focused on delivering excellence in every aspect of our business, ensuring that Saanvi Containers remains a preferred partner for our customers and a positive force in the community.

# CARBOYS

20 Litres

35 Litres

Product type	Brim-full Capacity	Overall dimensions			Std Weight	Std Color

20L Narrow Mouth HDPE Mauser	20 Itrs.	392 mm	280 mm	265 mm	1.2 kgs	White, Blue
35L Narrow Mouth Itr HDPE Square Mauser	35 Itrs.	475 mm	330 mm	300 mm	1.8 kgs	White, Blue
55L Narrow mouth HDPE Rocket	55 Itrs.	585 mm	380 mm	340 mm	2.3 kgs	White, Blue

## Excellence in Every Carboy

At Saanvi Containers, our commitment to excellence is reflected in our extensive collection of HDPE carboys. Thoughtfully designed to cater to a diverse array of applications, our carboys are engineered to meet the specific needs of the biopharmaceutical, food and beverage, and industrial sectors.

## Discover HDPE Mauser

Experience superior liquid storage with our Narrow Mouth HDPE Mauser. Crafted with precision engineering, this Mauser is tailored for industries requiring controlled pouring and secure containment. Built with durability in mind, the Mauser provides a robust solution for your liquid storage needs.

## Innovative Square Design

Our square-shaped carboys go beyond conventional design, offering both aesthetic appeal and practical advantages. The unique square design allows for efficient stacking, providing enhanced strength and optimizing storage and transportation space. This design innovation ensures that Saanvi's HDPE carboys are not just containers; they are solutions designed to elevate your operations to new heights.

## Versatility

Suitable for a wide range of applications in biopharmaceutical, food and beverage, and industrial sectors. The high-density polyethylene (HDPE) material guarantees strength and resilience, ensuring that your valuable liquids are securely stored.

"Based on your requirement, we can also manufacture 100% virgin products of varying weights and colours to suit the needs of your industry"

# JERRY CANS

35 Litres (White, Blue)

20 Litres

Product type	Brim-full Capacity	Overall dimensions			Std Weight	Std Colour	Usage
		Height	Length	Width			
20 L Jerry Cans	20 ltrs.	400 mm	320 mm	210 mm	0.60 Kgs	White, Blue	Chemicals and other liquids
35 L Jerry Cans (Cross neck and straight neck)	35 ltrs.	490 mm	375 mm	220 mm	1.20 Kgs	White, Blue	Chemicals and other liquids

## Reliable & Durable

At Saanvi Containers, we specialize in crafting high-quality HDPE Jerry Cans, available in two convenient sizes: 20 liters and 35 liters. Designed for the safe and secure transport of small liquid quantities, our plastic Jerry Cans offer unparalleled reliability and versatility.

## Superior Construction

Constructed from premium High-Density Polyethylene (HDPE), these containers stand out for their durability and non-reactive nature, making them an ideal choice for a wide range of applications. Whether for industrial, commercial, or personal use, our Jerry Cans ensure the highest standards of safety and security for your liquids.

## User-friendly Design

We prioritize user convenience. Our Jerry Cans feature an ergonomic design with comfortable handles for easy lifting and pouring, ensuring a user-friendly experience in any application. The cans are equipped with advanced sealing technology, providing a leak-proof and airtight seal. Say goodbye to worries about spills or contamination during storage and transportation.

## Expert Assistance

Our dedicated team of experts is committed to assisting you in finding the perfect solutions tailored to your personal or industrial needs. Saanvi's HDPE Jerry Cans not only guarantee durability and security but also boast reusability, providing a sustainable and cost-effective option for your liquid storage requirements.

"Based on your requirement, we can also manufacture 100% virgin products of varying weights and colours to suit the needs of your industry"

# FULL OPEN TOP DRUMS

Product type	Brim-full Capacity	Overall dimensions		Body Weight with lid	Minimum thickness	Std Colour	Usage
		Diameter	Height				
Open Topwide Mouth Barrel	200 ltrs.	19 inches	36 inches	4.2 kgs	3 mm	Blue	Water, Food, Chemicals and other storage
